Arrangements for our 2025 Members Day and AGM

This year's gathering will be at Layer Marney Tower, by kind invitation of Mr and Mrs Charrington, on Sunday 29th September. The following pages give you information about the schedule, food ordering, directions and the agenda for our AGM. It should be a interesting day at a wonderful location so we are really looking forward to seeing lots of members there ☺

It is more than 500 years since the death of Henry, 1st Lord Marney in 1523. Henry Marney was Henry VIII's Lord Privy Seal and Layer Marney Tower was his statement house, built to show his wealth and his power, reflecting his relationship with the King.
Layer Marney Tower is still as imposing today being England's tallest Tudor Gatehouse, standing within the Essex landscape, commanding views to the River Blackwater.
